# Cohort 2 ECT

(2022/23 starters)

## Module Map and Guidance - Year 2

# Cohort 2 ECT (2022/23 starters) Module Map and Guidance

## Introduction

This document is designed to provide both ECTs and Mentors with important information about what is expected and the times and dates of any training. This is for ECTs in their second year of induction (referred to as 'cohort 2'). To use this document, you will need the following:

- A login to UCLeXtend (this must be your own and not someone else's)
- To know which cluster group you are a part of (we will let you know this)
- To know who your Mentor and Induction Tutor are in school

There are two important aspects that you need to be aware of – **facilitated** elements and **in-school** elements. However, it is the responsibility of the Induction Tutor in each school to ensure that both ECTs and Mentors know what the expectations of them are and have enough time to do these.

# Facilitated Elements of the ECF Programme

Inspire Learning TSH are working together with UCL to deliver the full induction programme of the ECF. There are four elements of training that ECTs and Mentors need to be aware of and ensure that they attend:

Who?	What?	When?	Where?
ECTs	Introduction to year 2 conference	This took place at the end of the summer term.	
ECTs	Cluster facilitated sessions	At the end of this document, you will find the dates, times and venue for your cluster group	See details at the end of this document
ECTs	School visits	During module 9 in the summer term	You will need to seek advice from your Mentor and Induction Tutor about arranging these
Mentors	Mentor training	There are three mentor training dates – see the mentor training details in this document	See below

If an ECT starts the Early Career Framework mid-year (late autumn, spring or summer term) further guidance can be found here [[LATE STARTER ECT MODULE GUIDANCE](#)] with regard to how they will complete the programme.

# In-school Elements of the Programme

In-school, there are three essential things that should be happening:

1. Bi-weekly meetings between ECT and mentor – these should last at least 50 minutes and use the materials from UCLeXtend.
2. ECT self-directed study – this should take place in your 5% non-contact time and should follow the materials on UCLeXtend.
3. ECTs must complete the ‘End of Module Completion Form’ at the end of each module. There is also a mid-module form for module 8.

## Mentor Training

For schools to receive funding, it is vital that Mentors engage in the ECF Mentor training aspect of the programme. This academic year (2023/24) this will consist of four elements:

1. A half-day face to face training in Autumn (session 1 of 3). There are two venue options.
  - a. **29th September 2023, 12-4pm - Wirral venue**
  - OR
  - b. **6th October 2023, 12-4pm, - Liverpool venue**
2. A half-day face to face training in Spring, (session 2 of 3).
  - a. **12th March 2024, 1-3pm – Wirral Venue**
  - OR
  - b. **14th March 2024, 1-3pm Liverpool venue**
3. A one-hour online touch base in Summer (session 3 of 3).
  - a. **13th June 2024, 4-5pm - online**
  - OR
  - b. **20th June 2024, 4-5pm – online**

Mentor self-study, which is available on UCLeXtend
